## Our Generous Benefactors

The Minneapolis Pops Orchestra Association is an independent, nonprofit corporation, dedicated to funding free concerts by the Minneapolis Pops Orchestra. We are grateful for major support from Target, the Minnesota State Arts Board, the Minnesota Arts and Cultural Heritage Fund, the National Endowment for the Arts, Thomson Reuters, Emerson, Medtronic, and the Minneapolis Park and Recreation Board. It is the generosity of corporations, foundations, government entities, and hundreds of individual donors that sustains this remarkable Twin Cities tradition.

This activity is made possible by the voters of Minnesota through grants from the Minnesota State Arts Board and the Metropolitan Regional Arts Council, thanks to a legislative appropriation from the arts and cultural heritage fund.

These programs are made possible by a grant from the Recording Industries Music Performance Trust Fund, which is funded by the recording industry. It has been arranged by Local 30-73 of the American Federation of Musicians.
